...

Unlike most casino games where you bet, get your cards, and then it's over, with Texas Holdem you get some cards, make a bet, get some more cards, bet again if you like, and continue this process a few more times. You can bail at any point, which is called folding. This saves you from having to keep kicking money in, but it means you forfeit any money you've already bet since you're no longer in the game.

Hole cards. At the start of a Hold'em hand, after the two blinds have been posted, all players are dealt two cards facedown. These are known as the hole or pocket cards. Players then make a decision to call the blinds (match the big blind), raise the blinds (increase the bet) or fold (quit playing and throw their cards facedown to the middle of the table).
