Amazon.com: sanborn air compressor

The problem with Sanborn air compressors as I see it is that they are aimed at the small workshop / homeowner market. Typical for that market segment is often a limited supply of after sale compressor parts, at least, those that are unique to the Sanborn model. Valve plates, pump gaskets, pistons and cranks come to mind.

Sanborn air compressors

SLA7006056. This oil lubricated belt drive unit is an evolution of 40 years of proven technology. Designed with the professional in mind. This unit is a 60 gallon vertical stationary compressor that features a cast iron twin cylinder pump and industry leading 155 PSI max pressure.
