The Venus Fixers Remarkable Story

"The Venus Fixers is an extraordinary story—tragic, poignant, and inspiring by turn. A must-read for anyone who recognizes that the mute victims of any country's war are frequently its works of art. It brings to light a little-known and entirely absorbing aspect of World War II." —Caroline P.

Amazon.com: The Venus Fixers: The Remarkable Story of the ...

The Venus Fixers is the story of the monuments men in Italy. If you have read and enjoyed The Monuments Men by Robert Edsel then you will probably enjoy this one. Whereas The Monuments Men was very much the story of the the looted artwork from France and the treasure hunt to find it, this is the story of how the Venus Fixers were on the front lines trying to save monuments and art as soon as they are destroyed.
